Sir:

AMENDMENT

In reply to the Office Action dated November 21, 2002, please amend the application as follows.

IN THE CLAIMS

Please amend claims 17-19 and 31 as follows:

17 (Amended) A multi-layered image display comprising:  
a first screen capable of generating a first image;  
a second screen capable of generating a second image, wherein the first screen is in front of the second screen; and  
a slightly diffuse layer between the first screen and the second screen, wherein the slightly diffuse layer is adapted to prevent observation of an interference pattern by an observer of the multi-layered image display.
